Family of the Month – June

This month, we honor Phil and Frances Nassef as Council 3303's Family of the Month.

We have all driven by New Bern's old Saint Luke's Catholic hospital. It now houses apartments, but back in its heyday, it welcomed Phil Nassef into this world. Yes, our former Grand Knight's mother gave birth to him there.

A native New Bernian, Phil never left. He went to work for Coca Cola and spent almost 30 years with the company right here in the town, and he has no intention of leaving.

Phil's wife Frances grew up on a farm in Richlands, North Carolina. They have four children, seven grandchildren, and one great grandchild.

Aside from work and family, Phil became active in our Council and has devoted numerous hours to its many charitable endeavors. Every Monday night, you'll find him in the kitchen filling orders for the BINGO players.

His cooking skills don't stop there. It seems that he's the chief cook for many of the Knights' luncheons, dinners, and picnics. Behind the scenes, there is Phil with a ready smile on his face helping the other Knights set up the hall and dish out the food.

Phil is a Past Grand Knight, a Trustee and the Faithful Captain of the Fourth Degree. Regardless of his offices, he's right there helping at the Yard Sale and other Knight activities. Where there's a need for help, Phil is on the scene.

And Frances is right there beside him, assisting in those activities. Additionally, she has a special calling, assisting elderly folks in need of special care.

Council 3303 continually benefits from this dedicated couple who bring honor and happiness not only to our members, but to the many charities which benefit from the Knights' devotion.

“Put your John Hancock on it”

Where did half of the summer go? July has crept up on us, and by now we have enjoyed tasty fruit, good stuff off the grill, and perhaps an extra bowl of ice cream or two. It's a good month to sit back, reflect and ask myself, 'how am I doing on my journey to sainthood?'

If I am physically able, do I take advantage of the scheduled face-to-face Sacrament of Confession/ Reconciliation offered at our St. Paul Church? Or do I justify avoiding these opportunities for Sacramental grace (which only the Roman Catholic Church offers) and say, I have no sins to confess (gossip?), or tell my sins to the Lord privately and ask for His forgiveness and it is done. This practice makes me no different than our Jewish/Protestant brethren.

The entire month of July our Roman Catholic Church celebrates the Most Precious Blood of Jesus; a tradition initiated by Pope Pius IX in 1849.. Do I address this seriously? At Mass do I routinely accept the host knowing that I have offended a loved one, or that I have not forgiven someone for a real or imaginary offense against me - and that our real Divine Savior Jesus Christ Source of Truth, and I are about to become one?

Other Religious Holy Days and Observances during this month:

July 9 – 10	Bahal Martyrdom of the Bab
July 29 – 30	Jewish B' Au Begins
July 30 -31	Islam End of Adha

And of course the 4th of July, when we celebrate Thomas Jefferson the third U.S. President reciting the Declaration of Independence which he wrote and delivered on July 4, 1773 at Gettysburg Battlefield near York, PA The document declared that the 13 original colonies to now be 13 state, free and clear of British rule. These included: CN, DE, GA, MS, MD, NH, NJ, NY, NC, PA, RI, SC, and VA.

The document was not official until it was signed by all members of the Continental Congress which occurred in August 1776 when John Hancock added his signature. Thus, was born the familiar phrase “Put your John Hancock on it” which makes the signee aware that the covenant/document before him/her is official and binding.

July 31 – Feast Day of St. Ignatius Loyola, founder of the Jesuit Order (On a personal note) As a product of nine years of Jesuit formal education, I was taught that to stay on track to sainthood I need to keep things simple in my day-to-day life: (1) God, (2) Family (3) Everything else.

With joyful Hope come Judgment Day as I pass through the Pearly Gates, St. Peter will instruct me, “Put your John Hancock on it.”

Sir Knight of the Month – June

Sir Knight of the month for June is Randall Ramian.

Randall is our Faithful Scribe. When he is not taking notes at the meetings, he is selling furniture at the yard sale. He also likes calling Bingo numbers. People say that they like hearing that deep voice of his . We thank Randall for his years of service in the U. S. Navy. Sailing on all those ships must have been a bumpy ride.

Randall likes to collect all the different patches of the military and swords. He has been collecting them for about twenty years.

Randall, we thank you for what you do for the Knights. We hope to see you for many more years.

Philip Nassef
Faithful Captain

Happy Fraternal New Year!

Another Fraternal year has come and gone. As we move into the 2021 - 2022 Fraternal year, I want to take a moment to thank all the Council officers who are either shifting positions at the table or moving back to the gallery. Your time and dedication to keep your Councils going, including running as many programs as you were allowed, has not gone unnoticed. 2020 - 2021 has been a year like none of us have seen in our lifetime, and may we never have to go through again.

To the incoming and returning Officers, thank you for stepping up to guide your Council through the transition back to normalcy. Now is the time to review your programs and determine what worked, what has not, what you can change and what can be deleted and replaced. Things to keep in mind going forward are dedicated recruiting drive weekends, Fraternal Benefit Seminars with me (minimum 2 per Fraternal year), and supporting your Pastor, parish, and community. If I can assist you, please don't hesitate to reach out.

Think on this, where would we be if Blessed Michael McGivney was not able to return to the Seminary to complete his training to become a Priest? If you were not aware, Michael, the oldest of 13, had to leave the Seminary upon the death of his father to go to work to support the family. In a miracle of its own making, Michael was given a scholarship to go back and complete his education and formation while funds were also arranged for the continued support of his mother and siblings.

I firmly believe that this life event inspired Michael to found our Order to not only promote our principles of Charity, Unity and Fraternity, but provide financial support to the Brother Knights families upon the death of a member. That vision carries forward to today. It is my mission to carry out the vision of Blessed Michael McGivney to ensure your family will be taken care of upon your passing. If you believe you are all set, we need to get together! I provide a complimentary review of your plan to ensure that everything is all set. If any holes are discovered, I'll give you a recommendation on how to plug it. The decision to plug the hole is yours, I offer the tools.

May 2021-2022 be a successful year for your Council.

Vivat Jesus

Knight of the Month – June

Congratulations to Sir Knight Joe Urbaniak, Jr. the Monsignor James R. Jones Council Knight of the Month for June 2021. Joe affiliated with the Knights of Columbus in April 2002, where he received his 1st Degree. He steadily progressed to 2nd degree in May 2002, 3rd degree in February 2003, and his 4th degree in October 2004. For the past 19 years, Joe has been a highly active and steady contributor to Council 3303 and Assembly 1820, either assisting with the weekly Bingo games accounting for the Bingo income and payments or with the Assembly during the Yard Sales. He can always be counted upon to support the many other Council and Assembly programs.

Joe currently serves as an Usher at the 8 AM mass at St Paul, and additionally serves as a Eucharistic Minister and Sacristan for the Tobit ministry while attending and assisting at daily mass. He has been the primary assistant to our parish priests as they celebrate mass in honor of our past brothers. Most recently, Joe assisted Father William Lesak with the mass preparation during the Day of Reflection on May 22nd. He also volunteers at the Craven Regional Medical Center in Medical Records, where he is involved in quality control and assisting several departments as they transition to paperless by inputting data and files.

Joe was born and raised in Hillsborough Township, New Jersey. After graduating from high school, he spent three years in the US Air Force from September 1957 to August 1960. He then worked for Public Service Electric for 36 years retiring in 1996 as an Electric Distribution Line Supervisor. He relocated to New Bern in 1996. Joe has two sons and seven grandchildren.

Council 3303 is proud to honor Joe as the Knight of the Month.

Memorial Day 2021 Flag Placement at St. Joseph Cemetery and St. Paul's Parish Walkways

Nineteen Knights and one spouse, who is a veteran arrived at 9.00 a.m. from Council 3301 and Assembly 1820, along with several parishioners placed 260 American Flags on veteran's graves at St. Joseph's Cemetery and 27 large American and Military Service Flags along the St. Paul's Parish walkways on Wednesday, May 26th. Danny Gennantonio, who has organized the Veteran Flag placements at St. Joseph Cemetery and St. Paul's Parish for many years was grateful for the turnout and mentioned how beautiful and patriotic the cemetery and walkways looked.

The flags will be left up through July 4th and taken down on July 7th. Danny will be looking for volunteers to assist with the takedown. Listed below are the K of C volunteers who assisted:

Doug Uhland, Pat Rocco, Randall Ramian, Carlos Espinoza, Philip Nassef, Louis Simon, Guy Norton, Tom Hartman, Dan and Sonia Macsary, Craig Blackwell, Denny Colbert, Richard Plezia, Dick Dodson, Bill Camp, Jim Kelly, Kevin Blust, Tim Edwards, Joe Urbaniak, and Danny Gennantonio.

Stuff the Bus

Results from the food drive were exception! And, the support provided by the KOC was also outstanding. After the 1 p.m. mass, the school bus was filled with 138 bags of groceries, Father Tom's truck was full as well as Paul Massotta's and Tim Edwards'. There was enough food stacked in the Family Life Center to fill another two trucks. When I say full, the truck beds were stacked two bag high.

The food was delivered to RCS, Holy Spirit Catholic Church in Kingston, Mother of Mercy in little Washington, and the Filling station in Pollksville. With food continuing to come in after the event another two trucks were sent to Fishers & Loaves in Oriental.

So in the end, aside from the bus, there were another six truckloads of food. Mother of Mercy counts, weights and categories everything that comes to them. They tallied 1,583.4 lbs of food (two truckloads) and 1,069 diapers. With the bus at 138 bags = to two truckloads plus the six trucks, one could estimate 838 bags of groceries and at \$20.00 a bag = \$16,560 of donated food.

Knights at each mass helped with carrying and stuffing trucks. Key personnel were Fr. Tom, Jean & Tim Edwards, Paul Massotta, Phil Barber, Mark Layel and Tim Bettcher along with some Knights of Saint George.

Faithful Navigators Report

Greetings Brother Knights....

Well, another yard sale is in the books. If I'm not mistaken, this was right up there with the most successful sales since we started doing this. Total sales for the three days came to over \$47,000 and after expenses, we put over \$39,000 in the bank. Hats off to Pat Rocco, our chairman, Craig Baader, our vice-chairman, the truck monkey crew and all the ladies and gents who come out every week to sort, price, and display all of our wares. Thanks also to those who come out during the sale to set up the tents and provide the additional manpower needed during the event. Last, but not least, our heartfelt thanks and appreciation go to the United States Navy & Marine Corps. Without the help of these fine young men and women, our crew would be nursing sore muscles for days to come. Now, the crew will take a couple of well-deserved weeks off and then start preparing for our fall sale which is set for October 7th – 9th. We can always use extra help, so if you or someone you know can give us a couple of hours on Tuesday mornings, come on out and join the fun.

At our latest business meeting held on Wednesday, June 7th, we elected our officers for the coming Fraternal Year which begins on July 1. They are: Faithful Navigator – Doug Uhland, Faithful Captain – Phil Nassef, Faithful Pilot – Ron Biggs, Faithful Admiral – Ralph Aviles, Faithful Inner Sentinel – Denny Colbert, Faithful Outer Sentinel – Chris Skaggs, Faithful Comptroller – Craig Baader, Faithful Purser – Bo Wernersbach, Faithful Scribe – Randall Ramian, Trustee 3 year – Craig Blackwell, Trustee 2 year – Pat Rocco, Trustee 1 year – Rich Tomasik. These Sir Knights will be formally installed at a joint ceremony with the Council and possibly the Havelock Council and Assembly on Sunday, August 1st at the Hall. Our District Master and District Marshall will attend and perform the installation. Dinner will follow.

On Wednesday, May 26th a number of Knights and Sir Knights placed American flags on the graves of each and every veteran in St. Joseph's Cemetery. Thanks to Danny Gennantonio for spearheading this project just like he does every year. It's one small way we can remember those folks who served our country and kept it free.

Don't forget the Council picnic on Sunday, June 27th at the Hall.

That's all for now. Hope to see you and the next meeting, July 14th, 7 p.m. at the Hall.

God Bless us everyone,

Doug Uhland

Summer Yard Sale

The weather made things a bit interesting, and we had our challenges, but we were able to pull off one more successful yard sale in early June, generating \$47,500 in gross revenues for our Assembly. A total that makes it the third most profitable sale in the history of the event.

Anyone who has ever worked one of our yard sales understands the amount of time and effort that goes into the event. The efforts of the Truck Monkeys who do the heavy lifting every week, the volunteers who tirelessly process the donations in the blue building each week, the volunteers who work the actual sale events, and the volunteers that we

obtain from Cherry Point are all key ingredients to our success.

Thanks once again to all of the department leads and volunteers that make it work – we obviously cannot do any of this without your support!

Just in case you are wondering, the next sale is scheduled from Oct 7th – 9th!!

Council 3303 Year End Report

Memorandum To State Secretary, North Carolina Knights of Columbus

Subject: Year End Report for Monsignor James R. Jones Council 3303

1. **PURPOSE:** The purpose of this memorandum is to document the Fraternal Year 2020-21 Activities for the Monsignor James R. Jones Council 3303.
2. **OVERVIEW:** This Fraternal Year was a success despite the challenges presented by the COVID 19 Pandemic. We executed our programs with major modifications. All of our Planning and Business meetings were held but some were virtual. We adjusted our charitable contributions to stay in line with reduced income. We were fortunate to receive significant funding from our Assembly Brothers. We received word from Supreme that we qualified for the Columbian Award for this FY.
3. **FUND RAISING:** Our bingo operation has been severely impacted by the restrictions imposed by the State of North Carolina due to the Covid19 crisis. We were unable to operate from April 2020 until October 2020. After reopening, our average attendance has been around 2/3 of what it was pre-covid. We have partially compensated for the lower attendance by reducing the amount of our prizes, but our net revenue is still way short of what we were used to in the pre-covid years. In the 8 years prior to Covid19, our operation averaged an annual profit of approximately \$65,000. In FY 20-21, with 2 months to go, we have only made \$21,400 and project that our final total for FY 20-21 will be around \$27,000. We hope that with vaccinations becoming available, and restrictions being eased, our operation will recover in the coming months.
4. **MEMBERSHIP:** This past year has been a good year for recruitment of new members and transferees into our council. On-Line exemplification has made the process more readily accessible and easier for new members to join. Brother Knights have been instrumental in recruiting and are to be commended for their efforts. Several new and transfer members have stepped up to contribute to many fund-raising projects to include Bingo, Yard Sales, Lenten Fish Fries, LAMB and 300 Club.
5. **FAITH IN ACTION PROGRAMS:**
 - a. **Faith Program.** Our council Faith Program is focused on support to St. Paul Parish and St. Paul Catholic School. We participated in the RSVP program to support three seminarians. We have a close working relationship with our Pastor, Father Thomas Tully and his staff. The staff lead helped us honor our widows at a reception held in the Family Life Center. Father Tully asked our council to lead one of the Sunday Celebrations for our parish Bicentennial and we were honored to do so. Our Council and Assembly contribute financial support for the publication of the Parish calendar. We provide monetary support to the parish school to be used at the discretion of the Principal. During the Christmas season we organized a visit by Santa and Mrs. Claus to each school classroom. A gift was provided to each teacher for use in the classroom. We also cooked and served a lunch to the school staff the same day that Santa visited the children.
 - b. **Family Program.** The Monsignor Jones Council 3303 displayed significant activities associated with its Faith in Action/Family Programs. One could enumerate a myriad of activities; however, we will cite a few of the more significant ones. The Council provided Thanksgiving baskets for 12 needy families in our community; Christmas cards and poinsettias were delivered to the Council widows; held Christmas card sales at St. Paul Parish; hosted a wives appreciation dinner; conducted three Lenten fish fries'; cooked a Saint Patrick's dinner in support of the Catholic Daughters; and the Council recognized a Family of the Month and a Family of the Year for its annual programs.
 - c. **Community Program.** Despite the pandemic the Council managed to continue its charitable

works in a robust manner. This past fall 70 children were provided with winter coats through the featured Coats for Kids program. Over the rest of the fall and winter months a dozen local non-profit service organizations were given stipends ranging from \$100 to \$1000, totaling \$7900. During the Christmas season we teamed with the Senior Center and funded and helped deliver almost 100 dinners to deserving families of New Bern. Most recently this Spring the Religious Community Services (RCS) of New Bern, the local county food kitchen, was presented a \$3000 check from our Council.

- d. **Life Program.** The Special Olympics Spaghetti Dinner on February 18th was a Drive Thru only event with over 100 meals being distributed. Several Brothers teamed with the Craven County Special Olympics Office to distribute the meals. Special thanks to the local Pizza Hut management and employees for supplying and cooking the delicious spaghetti dinner. This event was started by Brother Andy Yandura and has been on-going for some 30 years. The proceeds from this dinner are used to provide support to the Special Olympic organizations in Craven, Pamlico and Jones Counties. Once again, we provided monetary support to the Eastern Pregnancy Information Center. Despite COVID restrictions, the Council participated in pro-life rallies in Raleigh and Jacksonville. Through the parish Respect Life Ministry, our Council has distributed information about the status of pro-life legislation by email. That information keeps the laity informed about the nature of the legislation and the process as bills move through the committee process and on the House and Senate floor for votes.
 - e. **Youth Program.** Although COVID-19 restricted our council's ability to host a Knights of Columbus sponsored Youth Soccer Challenge and Basketball Free Throw Championship, Council 3303 maintained our dedication to supporting the Catholic youth of St. Paul parish. Financial assistance was provided to three baseball teams sponsored by St. Paul Catholic Church as well as the St. Paul chapter of the Troops of St. George, a Catholic apostolate for young men looking for a life of adventure. The youth from the Troops of St. George stepped up and assisted the Council by volunteering their time serving Lenten Fish meals.
 - f. **LAMB Program.** In March 2021 the Knights of Columbus Monsignor James R. Jones Council 3303 hosted a gathering of several representatives of the local Special Education Community. Funds obtained from generous community support to our Least Among My Brethren (LAMB) Campaign were distributed to ten organizations. Our normal Tootsie Roll Campaign was sidelined this year so many individuals and organizations, to include our parish and the City of New Bern, provided grants to help the cause. Special thanks to the Knights of Columbus LAMB Coordinators Tom Melvin and Jim Kelly. We raised almost \$7,500 in 2020 and plan to exceed that number in 2021.
6. **LOOKING AHEAD:** Our Council officers and many directors will stay in place for another year so we will not have a steep learning curve. We are working on the budget for next year and seeking to identify brothers who desire to move into leadership positions. Our Council, Assembly 1820, the Columbus Club, the Catholic Daughters and the parish and school staff have a close working relationship, and we plan to foster those ties to continue our success.

VIVAT JESUS!
